Interim financial statements and Review Report of Certified Public Accountant

For the three-month and nine-month periods ended 30 September 2009

Review Report of Certified Public Accountant

To the Board of Directors of Nation Multimedia Group Public Company Limited

I have reviewed the accompanying consolidated and separate balance sheets as at 30 September 2009, and the related statements of income for the three-month and nine-month periods ended 30 September 2009 and 2008, and the related statements of changes in equity and cash flows for the nine-month periods ended 30 September 2009 and 2008 of Nation Multimedia Group Public Company Limited and its subsidiaries, and of Nation Multimedia Group Public Company Limited, respectively. The Company's management is responsible for the correctness and completeness of information presented in these financial statements. My responsibility is to issue a report on these financial statements based on my reviews.

I conducted my reviews in accordance with the auditing standard on review engagements. This Standard requires that I plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit in accordance with generally accepted auditing standards. I have not performed an audit and, accordingly, I do not express an audit opinion on the reviewed financial statements.

Based on my reviews, nothing has come to my attention that causes me to believe that the financial statements referred to above are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

I have previously audited the consolidated and separate financial statements for the year ended 31 December 2008 of Nation Multimedia Group Public Company Limited and its subsidiaries, and of Nation Multimedia Group Public Company Limited, respectively, in accordance with generally accepted auditing standards and expressed an unqualified opinion on those financial statements in my report dated 20 February 2009. I have not performed any auditing procedures since that date. The consolidated and separate balance sheets as at 31 December 2008, which are included in the accompanying financial statements for comparative purposes, are components of those financial statements.

As described in note 3 to the financial statements, the Company restated the consolidated financial statements for the year ended 31 December 2008, as a result of excessive accrued expenses of a subsidiary in prior years.

The interim financial statements are prepared on a condensed basis in accordance with Thai Accounting Standard No. 34 *Interim Financial Reporting* (formerly TAS 41) including related interpretations and guidelines promulgated by the Federation of Accounting Professions ("FAP"), applicable rules and regulations of the Securities and Exchange Commission and with generally accepted accounting principles in Thailand.

The interim financial statements are prepared to provide an update on the financial statements for the year ended 31 December 2008. They focus on new activities, events and circumstances to avoid repetition of information previously reported. Accordingly, these interim financial statements should be read in conjunction with the financial statements for the year ended 31 December 2008.

The interim financial statements are presented in Thai Baht, rounded to the nearest thousand unless otherwise stated.

On 15 May 2009, the FAP has made the announcement No. 12/2009 to renumber Thai Accounting Standards (TAS) to be the same as International Accounting Standards (IAS).

TFRS 5 (revised 2007) Non-current Assets Hold for Sale and Discontinued Operations
